The Social Learning Institute, LLC is committed to providing inclusive and accessible learning experiences for all participants. We offer a range of accommodations to ensure accessibility for both in-person and remote learning. For in-person courses, we offer specific accommodations upon request, including venue accessibility and material and handouts in accessible formats. For our live-remote and hybrid programs, we utilize platforms that comply with accessibility standards. These platforms offer features like closed captions, screen reader compatibility, and keyboard accessibility. Upon request, we format materials to provide accessibility, including alternative text for images and clear, readable fonts compatible with screen readers.

To request ADA accommodations, participants are invited to contact our office at **718-331-3601** or via email at rgbtooffice@gmail.com at least 30 days prior to the event. We cannot ensure accommodations without adequate prior notification.
